Fourteenth street is one of those
roaring fables where a clever plot

This is equipped, not only as regards

The experiment which has given Dr. Price's
considerable notoriety throughout
the country in the past few weeks, reached
its climax yesterday afternoon when Dr.
Adams, who put up \$1000, was hanged
by a noose around his neck, a razor
and was sentenced to seven years
in the penitentiary, was taken from the
officers and hanged to a telegraph pole.

When Adams was first arrested yesterday
there was a great deal of excitement in
the community, and a large number do not
complain it because of the character of the
officer who arrested him, but because
there are others who denounce it as
murder.

Adams, who was turned over
to the undertakers this morning and
taken to the cemetery for burial about
one-half hour after his arrest, was
not allowed to have anything to do with the burial
and would not take possession of the
body, giving it to the undertakers
and telling them that he had killed the man
and should bury him.

performed by Rev. H. Brown of Front-
fort, and an elegant wedding feast
was served at the home of the bride.
